# Offer - Assign Affiliates

## 1. Go to **Offers » Offer-Approved**

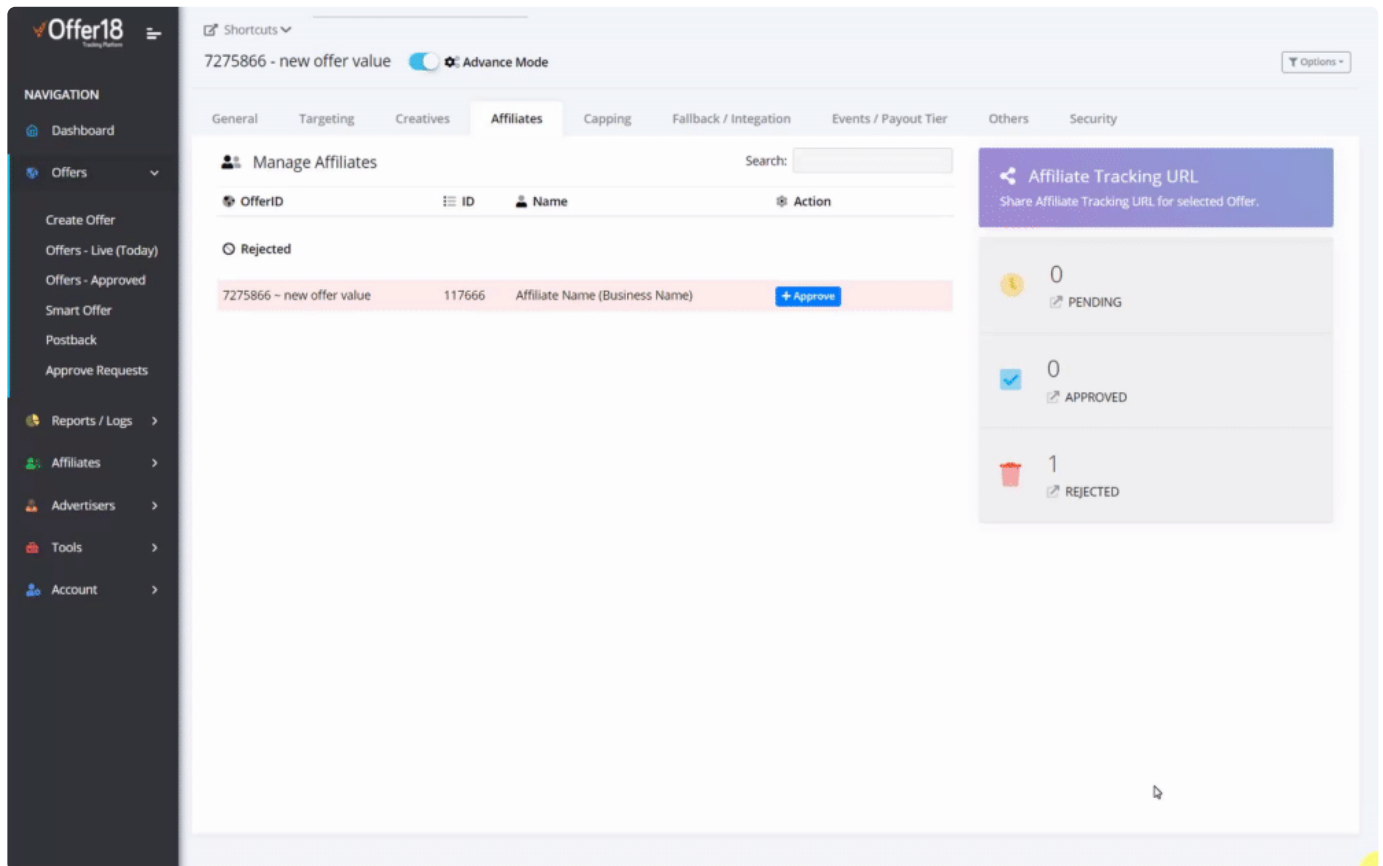

## 2. Select Offer » Affiliates Tab.

The screenshot shows the Offer18 dashboard. On the left is a dark sidebar with a 'NAVIGATION' menu containing 'Dashboard', 'Offers' (with a dropdown), 'Create Offer', and 'Offers - Live (Today)'. The main area has a top bar with 'Shortcuts' and 'Watch Offer Create Tutorial'. Below this is a table with columns: 'Select', 'Logo', 'Offer', 'TargetGeo', 'AdvModel', 'Revenue', and 'Payout'. A single row is visible with Offer ID '7275866', TargetGeo 'IN', AdvModel 'CPA', Revenue '11.39980 USD', and Payout '7.97990 USD'. Action buttons at the top right include '+ Create Offer', 'Events', 'Categories', 'Import', and a download icon.

Select	Logo	Offer	TargetGeo	AdvModel	Revenue	Payout
<input type="checkbox"/>		7275866 : new offer value	IN,	CPA	11.39980 USD	7.97990 USD

3. Click on the "+Assign" Offer button respective to the Affiliate

The screenshot shows the 'Manage Affiliates' page for Offer ID '7275866'. The page has tabs for 'General', 'Targeting', 'Creatives', 'Affiliates' (active), 'Capping', 'Fallback / Integration', 'Events / Payout Tier', 'Others', and 'Security'. The 'Affiliates' tab shows a table with columns 'OfferID', 'ID', 'Name', and 'Action'. One affiliate is listed with ID '117666' and Name 'Affiliate Name (Business Name)', with a '+ Approve' button. A 'Rejected' section is also visible. On the right, there's a 'Share Affiliate Tracking URL' section and a summary of affiliate status: 0 PENDING, 0 APPROVED, and 1 REJECTED.
